## Ultra Trail Atlas Toubkal

An exceptional trail a little over 100 kilometres long in Morocco near the highest mount of North Africa : The jbel TOUBKAL. A positive difference in height of 6500 metres in total. The starting point and arrival will take place from the Oukaimedene ski resort ( 2640 metres high) where a friendly base camp will be set to welcome the participants.

There will be several routes over 3000 meters high, especially the one of the Tizi N'Tarharate Passat 3456 metres high above the famous village called Imil ( which will be the base camp for the climbing of the Toubkal , 4167 m).

You will go through dozens of Berber villages enabling you to enjoy their authenticity and their preserved ancestral culture. Along the course, you will discover several breath-taking landscapes such as shaded oued , stony paths, conifers forests and lush valleys.
